## General Information

### ADULT COURSES

Most courses (apart from the IELTS, Cambridge and English for Business ones) are at all levels, from Elementary to Advanced. Students can choose among 15, 21 or 30 hour courses. 15 hour course covers all skills; speaking and pronunciation, listening, reading and writing, vocabulary and grammar.

Afternoon classes includes an added focus on communication and comprehension.

There is a maximum of 15 students in group classes to ensure quality time with the teacher and a more effective learning. There is free internet access to help students keep in touch with office, family and friends.

### HOME-STAY ACCOMMODATION

Apart from being more economical, home stay accommodation gives students the opportunity to get to know more deeply the British culture to establish a friendship that will last forever. All our families have been selected for their warmth and their welcome rather than their proximity to the schools, however they are situated in zone 2 and in safe residential areas of London which are very well connected by public transports.

The families reflect the multi-cultural aspect of Britain, although they may come from any ethnic background, English is their mother tongue. Students are provided with breakfast and dinner, which are eaten at home with the family and the other students. Rooms and laundry are done weekly.

There may be up to three students staying in the accommodation at the same time, but of different mother tongue, unless otherwise requested. Students may be in shared or single accommodation as indicated in the package (or as requested, paying a supplement of £10.00 per week). Students can opt for executive or superior housing categories, however they are more expensive. For more detailed information please contact us.

### SELF-CATERING ACCOMMODATION

For those who prefer to be independent there is a wide choice of accommodation ranging from residences, hostels, shared flats or houses, studios, serviced apartments and hotels. They are all located in central London (zone 1 and 2) and are provided with all modern comforts.

### ACTIVITIES

A lively social programme gives the chance to fully experience London. The programme change monthly. The majority of activity is free and range from visits to the museums, the Olympic site, famous London markets, picnics in the park, and pub tours. On request we can organize nights at the theatre, London walks, visits to other sport venues (Wimbledon, The Emirates or Chelsea Stadium, Ascot) or anything else you may want to do.

### TRANSFERS

In case of groups transfers will be organized at the time of booking. Individual taxis are available outside the airports and on request we can organise pick ups. Students who have chosen to travel independently will be provided with detailed information at the time of booking.

### ENROLMENT

The Enrolment Form on its own though does not constitute a reservation and does not guarantee availability of places. We cannot guarantee acceptance of any group or part of a group until one week deposit (per student) has been paid, this is because in some schools (and especially during the busiest periods) there are a limited number of places. The Enrolment Form has to be filled and sent it back to us as soon as possible together with a deposit of £150.00 per student.

On receipt of the Enrolment Form we will send a Pro-forma invoice together with a Student Details Form which must be completed and returned to us with the full details of the students in the group and final payment no less than a week before the arrival date. Due to the limited number of places and the great demand we recommend you reserve your places well in advance.

## Cancellations and Changes

Cancellation of any of the reserved places up to 14 days before arrival will result in a cancellation charge equal to the deposit paid on those places. However, after we have received final details we make no administration charge for replacing a cancellation with another booking (within the same group).

Cancellation of any of the reserved places up to 7 days before arrival will result in a cancellation charge equal to one week accommodation (per student) plus £100.00 (per student) for the course. However, after we have received final details we make no administration charge for replacing a cancellation with another booking (within the same group).

Payment of the deposit for a number of places makes the group liable for payment of the full invoiced value of those places. Cancellation of any of the reserved places within 14 days of arrival will result in a cancellation charge to the full invoiced value of the cancelled places.

The final payment is not refundable but we make no administration charge for replacing a cancellation with another booking.

A refund will not be made if a group arrives later or leaves earlier than booked.
